

What benefits does the Wildlife Estates Label bring to landmanagers and the whole of society?

15th September 2015 | 9:30 am - 1:45 pm | Parador de Trujillo | Trujillo, Spain

Interpretation: ENG - ESP

The Wildlife Estates Label celebrates its 10th Anniversary. This is the right time to enhance the role and benefits of label not only for the conservation of nature but also in economic and social terms. The debate will then, tend to focus on the issue of private land conservation and its integration in environmental policies at the European, national and regional level.
